Westman Enhanced Home Wi-Fi

\$4.95/mo.

All Westman Home Wi-Fi comes with:

- Our professional Westman technicians use specialized diagnostic software tools to complete a walk through assessment at the time of installation. By performing a complete home network analysis, they will locate the ideal placement of the modem, check for dead spots (spots where coverage is weak) and ensure maximum coverage in all the areas you use your Wi-Fi. If you require an extender to create wall-to-wall coverage, the first one is included at no additional charge. Each additional extender is \$2.00/mo. each.
- Our Wi-Fi apps allows you to view all the connected devices on your network, set up basic parental controls or a guest network, change your password and more.

• Home Phone

Add Westman Home Phone for the bundled price of only \$28.95/mo.

- You can keep your current phone number, wiring & outlets.
- You have a choice of low cost, practical, Long Distance plans.
- Includes many popular calling features.
- Installation is free (value \$70).

NOTE: Many factors affect Internet speeds and actual speeds may vary and are not guaranteed. Max speeds are listed above. If a router is used in the home, it will need 50 Mbps sustained throughout. If a wireless router is used, it must also be a wireless "N" standard router, in order to effectively support this service. **Requires a DOCSIS 3 cable modem. *Service available in select areas. Please call for availability.

• Basic HD

\$54.45/mo. Set-top box rental required at an additional monthly cost.
