#ConnectingWestman Tour Kicks off in Killarney, MB**

#ConnectingWestman

POWERED BY  WESTMAN COMMUNITIES

Brandon, MB – Westman Communications Group is excited to announce the #ConnectingWestman Tour, which starts in Killarney, MB on May 16, 2019. The tour will see Westman bringing numerous events to local communities across Western Manitoba.

Westman recently embarked on a journey to fiber-connect all 34 communities in which they serve to offer faster Internet speeds, enhanced digital TV and home phone solutions; but their #ConnectingWestman initiative goes far beyond connecting services, striving to connect communities to more resources that drive community growth.

The tour will involve Westman and each of its subsidiaries—WCGtv, Westman Business Solutions, 94.7 STAR FM, and Q Country 91.5 FM. In each community that Westman stops along the way, they will be hosting a Charity Barbecue, with funds raised in support of a local initiative, and an open house to give you the opportunity to preview services and ask Westman’s friendly and knowledgeable staff questions. Also, be on the lookout for Trent B., host of the Q Country morning show. He will be making a surprise visit to a local restaurant, treating its guests to coffee on Q! On top of all that Killarney’s local community programming, WCGtv, will be touring the town capturing all the action.

“Westman has always had strong roots and has proudly been supporting the communities we serve for over 40 years,” said President & CEO Dave Baxter. “Being involved in these communities makes us feel more connected to our members while thanking them for their support. We look forward to kicking off the #ConnectingWestman Tour in Killarney and giving back to the communities that are an important part of who we are.”

Stops on their travels this year will also include; Russell on July 17 and Virden on September 11.
