Annual Co-op Equity Statement

Building Your Equity

Westman Communications Group, which provides High Speed Internet, Digital TV and Home Phone, is the operating name of Westman Media Cooperative Ltd. Every Westman subscriber has the opportunity to become a Co-op Member and build equity. All of our earnings (profits) belong to our Co-op Members and each year, in accordance with our bylaws, these earnings increase the Members' equity (ownership) in the Cooperative. The equity earned in your Co-op account, shown below, is based on the amount of business you did with Westman in the past year.

Westman Subscribers Benefit from Co-op Membership

Westman invests each Member's equity back into its operations. This enables Westman to continue to offer advanced and reliable communication services, including Manitoba's fastest Internet speeds. This also allows us to introduce new and innovative services while continuing to connect underserved communities to superior communication services. Your Membership provides these direct benefits to you and your community.

Earnings are never distributed elsewhere and remain in the communities we serve. This is the critical difference between Westman and other providers of these services.

Who runs the Co-op?

Members are owners of the Co-op and as such, you control Westman Communications Group through the Co-op's Board of Directors. Members elect the Board, who in turn establish the Co-op's policies and bylaws.

How do patronage dividends work?

You receive a portion of the Co-op's annual profits in the form of dividends in your patronage equity account. The dividends are determined by the amount you patronized Westman Communications Group in the previous year. Qualifying Members may receive a portion of their dividend as a cash payment as declared by the Board of Directors on an annual basis.

When can you receive your patronage equity in cash?

Collectively, the Members' patronage equity is the financial foundation of the Co-op, supporting its operations and growth. Equity applications for refunds are subject to the terms and conditions outlined in the Co-op's bylaws, and are issued mainly to Members who move out of the Co-op's trading area, or become deceased. Members who remain in the trading area and request an equity payout will have an initial waiting period and scheduled payments may be made over several years. To withdraw from membership and request a refund of equity, an application form must be completed and submitted to Westman Communications Group. Equity payments are subject to board approval based on Westman's financial position.

Westman Communications Group...

continuing to grow & provide you with high quality services you have come to expect from us and proud to be an active member in your community.

1 In 2019, Westman paid out \$500,000 in cash dividend payments to eligible Members who had over \$900 in accumulated equity in their membership account. Over the past seven years, Westman has paid out cash dividend payments totaling \$4 million. “The loyal patronage of our Members makes it possible to make these dividend payments. The support for our products and services continues to increase Members’ equity in the Cooperative and make distributions possible,” said Dave Baxter, President, and CEO of Westman Communications Group.

2 Westman was pleased to fibre-link three new communities in 2019. We were able to bring enhanced services to McCreary, Sandy Lake, and St. Lazare. With the completion of St. Lazare, we officially announced that all 34 communities we provide services to are 100 percent fibre-connected.

3 In 2019, Westman started on our new journey to fibre-connect underserved communities in Western Manitoba, so they can benefit from our exceptional services. The first community on this new journey was Inglis, which we connected at the start of December. We will kick off 2020 by connecting Rapid City, Minto, and Oak River. Connecting communities across Manitoba to high-speed internet brings opportunity for technological growth that can positively impact community growth and education.

4 This past summer, we toured Western Manitoba on our #ConnectingWestman initiative, which took us to the grassroots of our communities. We brought the whole family with us, including WCGtv, Westman Communications Business Solutions, 94.7 STAR FM, and Q Country 91.5 FM. We hosted barbeques supporting local charities and held open houses to allow you to preview our services and ask our friendly staff questions. As a bonus, Trent B., co-host of the Q Country morning show, delivered treats to local businesses as a token of our appreciation for their employees’ hard work and contributions to their community. Our local WCGtv community programming toured the town capturing all the action. To top off the day, we held an After Five Client Appreciation Night. This allowed Westman Business and Westman Radio clients to enjoy appetizers, drinks, live entertainment, and prize giveaways. Our 2019 Tour saw us in three communities throughout Western Manitoba – Killarney, Russell, and Virden. Together, we raised over \$15,000 for local charities, including the Killarney – Turtle Mountain Fire Department, Russell Airport & Flying Club, and the Virden Spray Park. Keep an eye out for the 2020 #ConnectingWestman Tour; we just might be making a stop in your community.

5 It’s important to us to keep people connected. That’s why we partnered with the Keystone Centre to put FREE Wi-Fi throughout the 540,000 square foot multi-purpose facility in Brandon for everyone to enjoy. Westman has carried this initiative across many of the communities we serve. Other community centres and arenas that can enjoy access to free Westman public Wi-Fi include Parkland Recreation Complex (Dauphin), Russell Arena (Russell), Elton Community Centre (Forrest), Riverdale Community Centre (Rivers), Gunner Arena (Shilo), Sportsplex (Brandon), Yellowhead Centre (Neepawa), Shoal Lake Communiplex (Shoal Lake), Swan River Centennial Arena (Swan River), Minnedosa Community Conference Centre (Minnedosa) and Glenboro Arena (Glenboro).

Residential rate adjustments will take place April 1, 2020. For more information on changes to your rates, please call Customer Service at 1.800.665.3337 or visit westmancom.com/rate-adjustment-notices.

Westman is proud of its many accomplishments this past year and is looking forward to continued growth and advancement in 2020. Our employees are locally based, dedicated to helping our customers and are proud to volunteer in our communities.
